(Attach Copy)

Expiration Date(s): N/A

FDA Facility Registration Number: 3014650073
(Attach Copy of Registration)

Date of Last Inspection? Jan 4th 2023

Number of 483's: Zero (0)

FDB License (CA only): N/A

Q#	21 CFR, Part 803 & 806	Compliant Yes/No (R/Y/G)	Supporting Evidence
	Additional Audit Questions		
	21 CFR, Part 803 Medical Device Reporting		
1	Does the manufacturer have a documented procedure to support Medical Device Reporting and the filing of MDRs?	Yes	There are two SOPs, implemented in support of reporting adverse events in the United States: (a) QM.SLQ022.A – Medical Device Reporting; and (b) QM.SLQ023.A – eMDR Submission Work Instruction.
2	Is the procedure compliant with 21 CFR, Part 803 requirements?	Yes	As scripted, SOPs employed in support of the eMDR process meet requirements delineated within 21 CFR, Part 803.
3	Is the manufacturer using electronic reporting (eMDR)?	Yes	Should an adverse event require the filing of a MDR, the MDR will be filled electronically (eMDR) through the FDA's Gateway in accordance with QM.SLQ023.A.
4	Does the written procedure cover all aspects of adverse event reporting?	Yes	SOPs implemented in support of adverse event reporting address the FDA's regulatory requirements delineated within 21 CFR, Part 803.
5	Is the manufacturer filing supplemental reports when appropriate?	N/A	Not Applicable. SILQ has not filed a MDR in 2024.
6	How many MDRs has the establishment submitted since the beginning of this year (01 January 2023)?	N/A	Not Applicable. SILQ has not filed a MDR in 2024.
7	Where any of the MDRs filed late?	N/A	Not Applicable. SILQ has not filed a MDR in 2024.
8	Where any opportunities for filing an MDR missed?	N/A	Not Applicable. SILQ has not filed a MDR in 2024.
9	Is there a link back to the manufacturer's complaint management system?	Yes	SOP QM.SLQ021.D – Product Complaint System has been referenced in QM.SLQ022.A (reference 3.1.1).
	21 CFR, Part 806 Medical Devices; Reports of Corrections and Removals		
10	Does the manufacturer have a documented procedure to support device corrections and removals?	Yes	SOP QM.SLQ030.A – Advisory Notices and Recalls has been implemented in support of corrections and removals.
11	Is the procedure compliant with 21 CFR, Part 806 requirements?	Yes	As implemented, QM.SLQ030.A complies with 21 CFR, Part 806 requirements.
12	Have any device corrections or removals been performed in the previous 12-months?	N/A	Not Applicable. SILQ has not had to perform a market withdraw in 2024.
13	Were the corrections or removals reported to the FDA in accordance with 806.10?	N/A	Not Applicable. SILQ has not had to perform a market withdraw in 2024.
14	If recalls have occurred, what were their classification (I, II, or III)?	N/A	Not Applicable. SILQ has not had to perform a market withdraw in 2024.
15	Are records of corrections and removals being maintained and made available to the FDA in accordance with 806.30?	N/A	Not Applicable. SILQ has not had to perform a market withdraw in 2024.

Respectfully Submitted,

A handwritten signature in dark ink, appearing to read 'Chris Devine', with a long horizontal flourish extending to the right.
